**C. During the Report Period, KEET engaged in the following recruitment initiatives:**

1. Continuation of an internship program designed to assist members of the community to acquire skills needed for broadcast employment. KEET's internship program is intended to help individuals gain experience within the broadcast environment while enhancing their skills and/or education inside the classroom. Pre-selected staff mentor the interns.
2. KEET-TV is a member of and works closely with NorCan, the Northern California Association of Non-Profits, which represents the more than 800 non-profits in our area. It is a very culturally diverse membership, so all of KEET-TV's employment and internship opportunities are promoted through NorCan.
